SATURDAY CINEMA MATINEE - SILENT FILMS SPECIAL: MABEL NORMAND

Saturday, March 30 from 12:00 p.m. to 1:30 p.m. | Board Room

She was one of the first actresses to be named in her film titles, the first of many being *Mabel’s Lovers* in 1912. Normand, who commonly portrayed empowered women, also performed many of her own stunts, from daring horseback riding to being dragged through the mud clinging to rope.

The spot up for adoption already has many fine native plants but like any garden needs care and culling. Please contact Sally Recinos at Salrecinos8@gmail.com or ext. 7452 in order to claim this rare opportunity.

REHAB CORNER PRESENTS: GAITBETTER

Dr. Craig Hillman is speaking at the next Town Hall meeting on March 28, 2024. In this insightful presentation, he will discuss how university researchers around the world have found that struggles with mobility and increased likelihood of falling are due to a decline in cognition, specifically executive function. This 'mental' aspect of walking is often overlooked and greatly limits the benefit of standard interventions, like medication management. The latest technology at GHBC, GaitBetter, uses best practices in neuroplasticity to reverse decline in executive function and help our residents stay sharp and mobile throughout their golden years!

PLAY READING GROUP

The Play Reading Group will be reading *Rounding Third*, by Richard Dresser on April 3 and 10.
